## Report of Certificate Course: Vermiculture and Vermicomposting

Academic Year: 2022 - 2023

Department of Zoology conducted Certificate Course, Vermiculture and Vermicomposting with duration of two months with weightage of 25 lectures including theory and practical experience, from 01<sup>st</sup> March 2023 to 30<sup>th</sup> April 2023 in the academic year 2022-23.

This course will be the best platform for the students to get an idea about Vermitechnology, which could help them to create self-employment, organic farming, use of biofertilizer, ecofriendly techniques useful for environmental protection and also to interact with the teacher, making it responsible for them to develop a strong relationship with the respective to the subject, adviser and other students and become confident for higher graduation studies and placements.

### Outcome of the Certificate Course:

- 17) Students learn to all basic concepts of Vermiculture techniques.
- 18) Students learn to solve environmental problems like pollution by using vermicompost as a biofertilizer for crop cultivation.
- 19) Students can implement vermiculture practices as profession and thus can solve the problem of unemployment.
- 20) Students learn to identify the types of earthworms species and aware of rearing techniques of earthworms.

**Lecture by: Dr. K.L.Giramkar.**

Topic: Ramanujan: The Great Indian Mathematician

Date: 22<sup>nd</sup> December 2022.

Report.

---

Guest lecture on theme of "Ramanujan: The Great Indian Mathematician" was organized by dept. of Mathematics and IQAC on 22<sup>nd</sup> December 2022 on the occasion of 'National Mathematics Day'. All Teachers and 40 students are participated in this guest lecture. Dr. K.L.Giramkar, (Senate Member, SPPU, Pune), highlighted some information of Ramanujan and his life and also discussed how should be learn from their struggles.

The Head of Mathematics department Dr. B.D. Gavhane welcome all students and guest lecturer. He also introduced the guest lecturer to the students.

In this lecture Dr. K.L.Giramkar, first gave information about Ramanujan and their history of success in Mathematics. Dr. K.L.Giramkar also discussed how Ramanujan faced difficult situation in his life, struggled and reached his goal. He gave detailed information about Ramanujan and its contribution in Indian mathematics. His speech was very effective and proved extremely helpful for inspiring students & teachers.

Dr.K.L.Giramkar gave some information about all other Mathematicians like that Aryabhata, Bramhagupta, and Bhaskara etc. and also gave information about how we can change our life by studying their life. This lecture was attended by 40 students & all faculty of the department of Mathematics.

**Number of Participants: 136**

**Report:**

Guest lecture on the theme of “Entrepreneurship Development in Rural Area” was organised by the Entrepreneurship Development Cell and Department of Commerce and Management on Monday, 12<sup>th</sup> December 2023 at 11:00 am in Sakarben Hall. Dr.Nilay Mehta, Director of Nilaya Foundation Group, Pune was the resource person for the same. Principal Dr.B.S.Yadav felicitated the resource person. Dr.S.R.Pagare, Head of EDC introduced the resource person and briefed about the EDC.

Dr, Mehta appreciated the initiative of EDC that aims to create greater awareness of opportunities and benefits of entrepreneurship among the students, to make them realize their dream business and develop greater entrepreneurial culture within the institution. He further urged that the students should undertake the pre-entrepreneurial experience in entrepreneurship which will help them to actually understand how to set up a startup and compete with the competitors. The competitive environment should be such that the students can come up with different strategies to attract customers with innovative ideas be it in pricing, enhancing the sales, creating market for their product. He explores many ideas of developing entrepreneurship at local levels considering the need of the rural area. He encouraged the students to conduct the survey for the same. He appreciated the EDC in college for providing the students a platform to learn team work, leadership, planning and overall management skills.

Prof.Dr.S.L.Argade proposed vote of thanks. Dr.R.A.Jadhav coordinated the event.

# **REPORT OF WORKSHOP ON SOFT SKILL TRAINING AND PERSONALITY DEVELOPMENT PROGRAM PROGRAMME**

**Organized by**

**TRAINING AND PLACEMENT ASSISTANCE CELL**

**2022-23**

A ix days workshop on Soft skills training and personality development programme for the students of second and final year graduation was organized by the training and placement assistance cell in association with the faculty of commerce and management from 12<sup>th</sup> to 17<sup>th</sup> November 2022 in Sakarben hall.

The workshop was inaugurated by the IQAC co-ordinator Prof.V.C.Thange.

Dr.S.R.Pagare, Head of Commerce faculty welcomed the dignitaries and the students. In his welcome speech, he briefed the participants with the various activities conducted by the TPAC of the college. He explained in detail the functioning of the commerce association and the efforts taken by the faculties in promoting curricular and extracurricular activities among undergraduate and postgraduate students.

Prof.V.C.Thange in his speech explained the role and importance of soft skills in the student's career. He declared the schedule of various activities to be performed and the skills to be acquired during this programme. He explained the elements to be focused on by the students such as goal setting, drafting of resume, etiquettes, grooming, listening, skills to be acquired for attending interviews, etc. He also gave examples of previous batches and their success due to the soft skills training programme.

Resource person and trainer Mr.Mustakin Syed in his inaugural address appreciated the college for its efforts taken in conducting the program. He appealed to the students to learn the soft skills to be successful professionals and ideal citizens. He urged the students to inculcate both character traits and interpersonal skills that will influence the communication skills effectively. He enthusiastically discussed about team work skills and how to work as a team and collaborate with colleagues to provide quality care to patients. He stated that this programme can facilitate the participants to adapt different stress management techniques, Technical Skills, Leadership and Management skills also enhance Personal and Professional Development.

265 students actively participated in this program. Prof.Smt.S.B.Bhingardive, Prof.G.K.Chavhan and Prof.N.T.Dhokale coordinated the program.

<b>Name of the certificate course</b>	Principles of programming language
<b>Date and Duration</b>	10/11/2022 to 25/03/2023 30 Hours
<b>Name of faculty</b>	Dr. B.D. Gavhane Mr. R.B. Chavan
<b>Number of participants enrolled</b>	37
<b>Venue</b>	Department of Mathematics

**Brief summary of activity/Event:**

Department of Mathematics runs a certificate course "Principles of programming language". The objective of the course is to develop logics that will help students to create programs. It also aims to provide exposure to problem-solving through programming. Head of the department Dr. B.D. Gavhane inaugurated this course.

The course content is made available to students. The students learn about programming language and solve mathematical problems using programs. Students studied the implementation of numerical analysis to solve problems in Mathematics for which a quantitative theory already exists.

**The outcome of activity/Event:**

1. Developed logic that helped students to create programs.
2. Students learned the basic programming constructs they can easily switch over to any other language in the future.

## Department of Mathematics

Lecture by: Dr. K. C. Takale

Topic: Latex for scientific writing

Date: 1<sup>st</sup> Oct. 2022.

### Report

Guest lecture on the topic "Latex for scientific writing" was organized by dept. of Mathematics and IQAC on 1<sup>st</sup> Oct. 2022. Teachers and Students from department of Mathematics are participated for this guest lecture. Dr. K.C.Takale (Head of department, RNS Art, JBD Commerce & NSC Science College, Nashik road, Nashik) highlighted the some basics of Latex and uses of Latex in different fields like IT industries, banking. Also Latex was created to make it easier to produce general-purpose books and articles within Tex.

The Head of Mathematics department Dr. B.D. Gavhane welcomed all the students and guest lecturer. He also introduced the guest lecturer to the students.

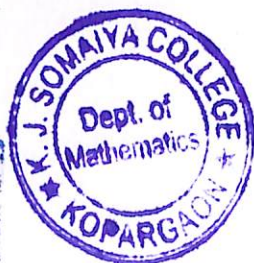

In this lecture Dr. K.C.Takale first gave information about Latex software and its free installations. Dr. K.C.Takale, ( Head of department, RNS Art, JBD Commerce & NSC Science College, Nashik road ,Nashik), discuss the Latex programming and how the related courses are helpful to the students of Mathematics for the better placement in IT industries & other fields. He also introduce Latex is widely used in academia for the communication and publication of scientific documents in many fields, including mathematics, computer science, engineering, physics, chemistry, economics, linguistics, quantitative psychology, philosophy, and political science. It also has a prominent role in the preparation and publication of books and articles that contain complex multilingual materials, such as Arabic and Greek Latex uses the TeX typesetting program for formatting its output, and is itself written in the TeX macro language.

He gave detailed information about Latex programming language and its installation. His speech was very effective and proved extremely helpful for inspiring students & teachers.

Dr. K.C.Takale gave information about all these mathematics related software & how they work to complete the math's related work. He then gave information on how to increase the value of mathematics by using Latex. This lecture was attended by all students & faculty of the department of Mathematics.

---

September 29, 2022

On the occasion of "International Microorganisms Day", Department of Microbiology and IQAC in assossication with Unnat Bharat Abhiyan (UBA) and Lions Club Kopargaoon have organized "Personal Hygiene, Health Awareness and Blood Group Detection Camp" at adopted five villages under Unnat Bharat Abhiyan. These villages include Chandekasare, Ghari, DauchKd, DauchBk, and Derde-Korhale. The camp was inaugurated on 21<sup>st</sup>, 23<sup>rd</sup>, and 28<sup>th</sup> September 2022.

The programmed was inaugurated by Chief Guest Hon. Sudhir Daga; the Member of CDC. Other involved dignitaries were Chairperson Kesharrao Hon, Adv. S. D. Kulkarni; A Secretary, Hon. Sandip dada Kulkarni; Trustee, Dr. B. S. Yadav; Principal, Dr. V. C. Thange; IQAC Coordinator including Lions club of Kopargaoon Ln. Paresh Udavant; President, Ln. BalasahebJori; Secretary, Ln. Ankush Joshi; Treasurer in Co-operation with Sarpanchof Chandekasare Mrs. Kharat, Sarpanch of Ghari Mr. Jadhav, Sarpanch of Dauch Kd Mr. Sanjubaba Gursal, Sarpanch of Dauch Bk Mrs. Mali and Sarpanch of Derde-Korhale Mr. Deshmukh. The organizers include Prof. Y. S. Chaudhari; Coordinatior, Dr. S. K. Bansode; Coordinator of UBA, Dr. B. S. Gaikwad; UBA, Dr. S. M. Deore; UBA, Prof. A. D. Pawar; HOD of Microbiology along with committee members Prof. P. K. Gakkhad, Prof. M. S. Vanjare, Prof. P. S. Kadu, Prof. U. M. Ahire, Prof. J. G. Patil and Prof. R. D. Jadhav.

The Programme was hosted by Dr. B. S. Gaikwad and Introduction of event was delivered by Prof. A. D. Pawar. Chief Guest Hon. Sudhir Daga and Hon. Principal Dr. B. S. Yadav addressed the programme with their valuable words. The programme was fulfilled with the active participation of UG and PG Microbiology students. The students from M.Sc. II presented a Street play on topic "Personal Hygiene and Health Awareness". They acted as a

Volunteer throughout the camp. Students presented the Posters and Models and explain the importance of Hygiene. From Chanderkasare village about 77 students have checked their blood group. About 134 students from Ghari village have checked the blood group. From Dauch Bk around 115 students and from Dauch Kd around 64 students have inspected the blood group and from Derde-Korhale around 152 students have examined their blood group. Overall 542 people from Z.P. Schools of all the adopted villages had been checked their blood group throughout the Blood group detection camp. Blood group detection cards were provided to respective teachers of every student. All dignitaries including Principal and teachers of Z.P. Schools encouraged the students and appreciated the event.

**AUTOMATION**

**ACADEMIC YEAR-2022-23**

During the academic year 2022-23, **74 students** enrolled for the 'Certificate course in office automation offered by the faculty of Commerce and Management. The course was conducted during the period from August to September. The course was designed by the faculty members and was offered with the practical. The students visited the Commerce laboratories personally for completion of the course practical's and office Automation packages, internet etc.

**74 Students** appeared for the course end exam and **74** successful students were awarded the course completion certificate.

Period: 40 contact hours

Duration: 3 Months

Total students Enrolled: 74

Number of Successful students (Beneficiaries): 74

All participating students were satisfied with the syllabus and the delivery of the course.

DEPARTMENT OF COMPUTER SCIENCE

Academic Year: 2022-23

Report

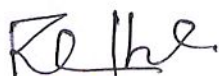

Name of Certificate Course	Computer Hardware and Network
Date & Duration	27 <sup>th</sup> October 2022 to 26 <sup>th</sup> Feb. 2023, 36 Hours
Name of Faculty	Computer Science
Number of Participant enrolled	89
Venue	Department of Computer Science

**Brief Summary of Activity:**

Department of Computer Science runs certificate course in Computer Hardware and Network. The objective of the course is to develop skill among the students to acquire basic knowledge in Computer hardware and peripherals for installation. To assemble the PC and trouble shooting and maintenance. To develop skill set, required in network technology. To gain basic knowledge of TCP/IP networks and to understand the internet architecture. The course content is made available to the students. Hon. Principal Dr. B. S Yadav inaugurated this course.

**Outcome of the Course:**

- 1) Student acquired basic knowledge of computer hardware.
- 2) Students are able to assemble PC, they learn to solve trouble shooting problems in PC.
- 3) Students get good skill about network technology.

**Department of Physics**

**Certificate Course: Programming in 'C'**

**Syllabus: W.e.f.-1<sup>st</sup> August 2018**

**'C'-Programming Language:**

'C'-Programming Language is one of the top most popular programming languages. 'C'-Programming Language is a general purpose and high level programming language. You can use 'C'-Programming Language for developing desktop GUI applications, websites and web applications. Also, 'C'-Programming Language, as a high level programming language, allows you to focus on core functionality of the application by taking care of common programming tasks. The simple syntax rules of the programming language further makes it easier for you to keep the code base readable and application maintainable. There are also a number of reasons why you should prefer 'C'-Programming Language to other programming languages.

**Advantages of 'C'-Programming Language:**

- It is easy to understand. One of the main reasons why people choose 'C'-Programming Language over other programming languages is its simplicity. ...
- Presence of many Libraries. ...
- Easy to write. ...
- Low cost. ...
- Fast execution speed. ...
- Portable. ...
- Easy debugging. ...
- Procedure Oriented Language.

**Objectives:**

- Programming basics and the fundamentals of C
- Data types in C
- Mathematical and logical operations
- Using if statement and loops
- Arranging data in arrays
- Implementing pointers
- File management and dynamic memory allocation

**Course outcomes:** After completion of this course student will be able

- Develop a C program
- Control the sequence of the program and give logical outputs
- Implement strings in your C program
- Store different data types in the same memory
- Manage I/O operations in your C program
- Repeat the sequence of instructions and points for a memory location
- Apply code reusability with functions and pointers
- Understand the basics of file handling mechanisms
- Explain the uses of pre-processors and various memory models

<b>Venue</b>	Department of Mathematics

**Brief summary of activity/Event:**

Department of Mathematics runs a certificate course "Principles of programming language". The objective of the course is to develop logics that will help students to create programs. It also aims to provide exposure to problem-solving through programming. Head of the department Dr. B.D. Gavhane inaugurated this course.

The course content is made available to students. The students learn about programming language and solve mathematical problems using programs. Students studied the implementation of numerical analysis to solve problems in Mathematics for which a quantitative theory already exists.

**The outcome of activity/Event:**

1. Developed logic that helped students to create programs.
2. Students learned the basic programming constructs they can easily switch over to any other language in the future.

## **Report of Certificate Course: Vermiculture and Vermicomposting**

**Academic Year: 2021 - 2022**

Department of Zoology conducted Certificate Course, Vermiculture and Vermicomposting with duration of two months with weightage of 25 lectures including theory and practical experience, from 01<sup>st</sup> April 2022 to 31<sup>th</sup> May 2022 in the academic year 2021-22.

This course will be the best platform for the students to get an idea about Vermitechnology, which could help them to create self-employment, organic farming, use of biofertilizer, ecofriendly techniques useful for environmental protection and also to interact with the teacher, making it responsible for them to develop a strong relationship with the respective to the subject, adviser and other students and become confident for higher graduation studies and placements.

### **Outcome of the Certificate Course:**

- 13) Students learn to all basic concepts of Vermiculture techniques.
- 14) Students learn to solve environmental problems like pollution by using vermicompost as a biofertilizer for crop cultivation.
- 15) Students can implement vermiculture practices as profession and thus can solve the problem of unemployment.
- 16) Students learn to identify the types of earthworms species and aware of rearing techniques of earthworms.

**DEPARTMENT OF MICROBIOLOGY  
National Science Day 2022 Report**

---

February 28, 2022

On the occasion of National Science Day, Department of Microbiology have organized one day event called "Micro Carnival" for UG and PG students. The event includes competitions like Poster presentation and Model Exhibition. 68 students from Microbiology Department have actively participated in the Micro Carnival. The event was judged by the Honorable Guests, Dr. L. P. Sharma, Head department of Microbiology HPT Arts and RYK Science College, Nashik and Honorable Mr. Sandipji Rohomare, Principal Dr. B. S. Yadav and Registrar. Dr. A. C. Naikwade. Invited guests inaugurated the event by 'Ribbon Cutting Ceremony'. Head department of Microbiology Mr. A. D. Pawar Welcome the guests and gave an Introduction about the program. The Chief Guest, Dr. L. P. Sharma announced the name of winners for Poster Presentation and Model Presentation. Honorable Sandipji Rohomare, Principal Dr. B. S. Yadav and Chief Guest, Dr. L. P. Sharma appreciated the participants for their work and dedication.

Guest Lecture on topic "A Journey in the Invisible World" was delivered by Dr. L. P. Sharma. In his speech he gave brief idea about start to end of subject and introduce the Microbiology in his novel words. He also motivated the students for research work. Students were influenced and encouraged by his valuable words. The Guests were pleased by the enthusiasm shown by department faculties and students. At the end Asst. Prof. M. S. Vanjare offered a Vote of Thanks to invited Chief Guest, Dr. L. P. Sharma, Mr. Sandipji Rohomare and honored guests Principal, Dr. B.,S. Yadav, Registrar, Dr. A. C. Naikwade, Head Department of Zoology, Dr. R. D. Gawali, Faculty members and Students of Microbiology Department.

Department of Microbiology had organized National level competition named "National Science Utsav 2022" on 28 February 2022. The Utsav includes different online competitions like Quiz, Essay writing and Memes competation. About 202 students of

different streams from different places have actively participated for the Utsav. The Utsav was judged by the coordinators of their respective competition.

**REPORT ON WORKSHOP OF SOFT SKILLS AND PERSONALITY  
DEVELOPMENT PROGRAM**

**Organised by  
TRAINING AND PLACEMENT ASSISTANCE CELL**

**2021-22**

The one-day workshop on Soft Skills and Professional Development was conducted on the 1<sup>st</sup> February, 2022 by the training and placement assistance cell. The programme started at 10:30am in the Sakarben hall. Mr. Mark Martin from Aurangabad was the trainer and the resource person for the same.

In the inaugural session Dr.S.R.Pagare, Head of the training and placement assistance cell welcomed Principal Dr.B.S.Yadav, IQAC Coordinator Dr.V.C.Thange and the resource person Mr. Mark Martin.

Principal Dr.B.S.Yadav warmly welcomed the resource person and the participant students. In his inaugural address Principal encouraged the students to make the best use of their time without wasting a day by doing something productive for their academic career. The Principal further talked about how the overuse of social media is a curse for today's youth, therefore, students should possess the quality of self-control and should limit the use of social media and spent more time instead on reading books and other important journals. He lastly encouraged the students to read books online which are available on different kind of website. IQAC Coordinator Dr.V.C.Thange proposed vote of thanks for the inaugural session.

The resource person started his orientation with a short introduction on the meaning of soft skills, further dividing skills into soft skills and hard skills. He said that the Soft skills determine the behaviour, the emotions and feelings of an individual. It evaluates the thinking that is the critical thinking of a person. He further added that soft skills play a vital importance in obtaining a job during any kind of job interview. The resource person stressed on building good communication skills with people around. In a world where contact is instant, the individual must present himself/herself in a good way. The resource person further talked about the co-areas or the branches of soft skills. Having the ability

to locate and solve a problem with positivity was the real test of an individual's stability or ability.

The resource person then moved on to the importance of controlling one's own emotions. He explained the importance of balancing the IQ (intelligent quotient) and EQ (emotion quotient) as they function in the same manner.

The resource person concluded his orientation by stating that soft skills must consist of self-motivation, positive thinking with the right attitude towards every problem and to eradicate negativity. The resource person also laid emphasis on possessing good listening skills and also maintaining a positive attitude in the management of conflict whenever it occurs. To conclude, the resource person talked about the important factors that is necessary for us to know while working with groups or team is that we need to be able to communicate our ideas well

Furthermore, he also expressed that the students while visiting the field should always be on guard, attentive and alert in any situation. He then spoke about time management. As students, it is expected that the student social workers must know how to manage their time with a proper time table for every day.

108 students actively participated in this one day workshop.

Dr.Smt.S.B.Bhingardive, Dr.G.K.Chavhan, Dr.N.T.Dhokale from training and placement assistance cell coordinated the workshop.

<b>Venue</b>	Classroom

**Brief Summary**

A Certificate Course on Financial Literacy was conducted in this academic year from 01/12/2021 to 30/01/2022 by the Department of Economics. The said course is of 30 lectures hours conducted in two months duration. Syllabus of this course is divided into four major chapters. Indian Banking Structure, Modern Banking, Method of Remittances and Reserve Bank of India these are major chapters taught in this course. Analysis method of this course is objective type. Qualified students are awarded with the certificate. Total of 25 students of the Department of Economics successfully completed the said course.

**Outcome:**

- 1 Improved financial literacy.
- 2 Better decision making regarding their finances.
- 3 Increased confidence and knowledge of financial matters can boost confidence in handling money matters.
- 4 Enhanced career opportunities.

Overall, earning a certificate in financial literacy can positively impact an individual's financial well-being, contributing to a more secure and stable financial future. However, it's essential to remember that financial literacy is an ongoing process, and staying updated with the latest financial trends and developments is crucial for continued success in managing personal finances effectively.

## Report of one day webinar on “Introduction to Astrophysics and Career opportunities in Astrophysics”

(Held on 20 April 2022, Time: 10 AM)

One day webinar on “Introduction to Astrophysics and Career opportunities in Astrophysics” was organized by students mentoring program, Department of Physics and IQAC on Wednesday 20<sup>th</sup> April 2022. For this webinar Dr. Vikram Khaire who is working as DST-INSPIRE faculty at Indian Institute of space science and technology, Thiruvanthapuram kerala was invited as resource person. Program started with introductory speech of Prof. N. S. Pote. In the Introductory speech Prof. N. S. Pote shares information of students mentoring cell. He also explained Dr. Vikram Khaire is a renowned scientist working in Astrophysics. Later Dr. V. C. Thanage gives IQAC address to audience. In his address Dr. Thanage shares that we all are proud of Dr. Vikram khaire that He is giving marvelous contribution in research. After IQAC address Prof Dr. B. B. Bhosale address the audience, Dr. Bhosale told audience that after the covid-19 pandemic it was need of hour to organize such talk. He also told students to be attentive during program. Later on Dr. S. L. Aragade gives introduction of resource person. After that Dr. Vikram Khaire started his talk. Dr. Vikram Khaire divided his talk into two parts, in first part he gives “Introduction of Astrophysics” and in later half he explained “Career opportunities in Astrophysics”. In Introduction to Astrophysics talk Dr. Khaire started with our solar system. The planetary scales he explained was extraordinary, all the audience stunned by hearing such big numbers and calculations. One thing worthy to note here that Dr. Khaire told that it will took around 42000 years to reach our neighbor planet alpha century !. If we divide number of stars in universe by world population each one will get billions of stars that our natural lives will not be enough to count them. Dr. Khaire then explained briefly about our star sun, size of our sun is such big that around 1000 earths will fit into sun. Later on he explained about our neighbor planets, Milky Way galaxy, he told audience that some galaxies are so distant that light we observing today was emitted few thousands of years ago by these galaxies so basically we are watching at past. Then Dr. Khaire explained types of telescopes that used for sky observation in that He specially mention Hubble space telescope which is situated in space for observation. Then Dr. Khaire explained in detail about life cycle of stars, stars born in nebula and die as black hole of red giant. Later on He explained about solar system elements using periodic table. He told that Helium was discovered by taking spectral observations of sun. Dr. Vikram khaire ended his talk by showing his favorite picture that taken by Voyages satellite. The picture was the just one white dot on screen and that was our earth in this vast universe he explained that we are merely a tiny speck in this vast universe. In the later half Dr. Khaire explained about the Career opportunities in Astrophysics, He told that doing research,

teaching, software developer, data analyst etc. are bright career option. He also explained about various agencies that provide financial support to carry out research in India as well as abroad. In the last 15 minutes Dr. Khaire interacted with students. Dr. Khaire answered all the questions asked by students showing his expert and brilliance in the Astrophysics area of science. About 100 students from various science classes were actively participated in this program.

This Programme was anchored by Prof. N. S. Pote and vote of thanks was given by Dr. M. B. Khose.

DEPARTMENT OF COMPUTER SCIENCE

Academic Year: 2021-22

Report

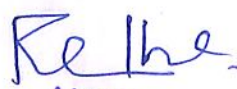

Name of Certificate Course	Computer Hardware and Network
Date & Duration	4 <sup>th</sup> April to 23 <sup>rd</sup> April 2022, 36 Hours
Name of Faculty	Computer Science
Number of Participant enrolled	83
Venue	Department of Computer Science

**Brief Summary of Activity:**

Department of Computer Science runs certificate course in Computer Hardware and Network. The objective of the course is to develop skill among the students to acquire basic knowledge in Computer hardware and peripherals for installation. To assemble the PC and trouble shooting and maintenance. To develop skill set, required in network technology. To gain basic knowledge of TCP/IP networks and to understand the internet architecture. The course content is made available to the students. Hon. Principal Dr. B. S Yadav inaugurated this course.

**Outcome of the Course:**

- 1) Student acquired basic knowledge of computer hardware.
- 2) Students are able to assemble PC, they learn to solve trouble shooting problems in PC.
- 3) Students get good skill about network technology.

**"Challenges of Addressing Microbial Resistance" (2021-2022)**

November 23, 2021

Department of Microbiology and IQAC in association with MSI (Microbiologist Society, India) have organized a one day National Webinar on "Challenges of Addressing Microbial Resistance" on Sep 23, 2021. About 88 students have registered for the event and 75 students along with teachers have shown active participation. The event was held online on Google Meet platform.

The event was attended by the Guest Speakers Prof. J.S.Virdi; a well-recognized expert and mentor in the area of Microbiology, Principal Dr. B.S.Yadav, IQAC coordinator Prof. V.C.Thange, Head of Microbiology Department Mr.A.D.Pawar, P.G. Coordinator Y.C.Chaudhari and faculty members of Microbiology Department.

The IQAC Coordinator Prof. V.C.Thange Welcome the guest and introduced the dignitary present for the event.

Prof. J.S.Virdi briefed about the importance of Microbial resistance. In his speech he gave information about the use and misuse of antibiotics and how fast Medical Microbiology field is growing. He spoke with great enthusiasm and with his words he cherished the entire environment.

In his address he described the importance of certain medical diagnostic techniques like Rapid Diagnostic Test (RDT) and emergence of new biological techniques. He spoke about current scenario in India regarding challenges of microbial resistance. Students showed great response towards his speech.

In the end, Head of Microbiology Department Mr.A.D.Pawar offered a Vote of Thanks to invited guests, Principal Dr. B.S.Yadav, IQAC coordinator Prof. V.C.Thange, P.G. Coordinator Y.C.Chaudhari, faculty members and Students for gracing the occasion.

# BRIEF REPORT OF NATIONAL INVITED TALK

On October 21, 2021 at 11 A.M.

Google Meet: [meet.google.com/fre-crqj-phv](https://meet.google.com/fre-crqj-phv)

The National Invited Talk on the topic '*Film Adaptation*' was organized by Internal Quality Assurance Cell and Department of English of Kopargaon Taluka Education Society's College of Arts, Commerce and Science, Kopargaon, Maharashtra on October 21, 2021 at 11 A.M. to 12 : 45 P.M. on the virtual platform - Google Meet. The national invited speaker was Dr Ajay Deshmukh.

In the beginning of the program, Prof. V.C. Thange, Coordinator, IQAC and Head, Dept. of English delivered an Introductory Speech regarding the same topic, chosen for the national invited talk; moreover he admired all the team members for their honest efforts behind the organization of the national invited talk and explained the significance of the topic for the literature students and research scholars.

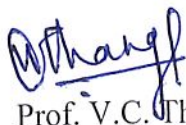

Later, Professor Dr S.R.Pagare, Head, Dept. of Commerce and Vice Principal of the college welcomed Invited Speaker Dr Ajay Deshmukh, Associate Professor, Muktanand College, Gangapur, Aurangabad and other teachers and students and some outside Faculties. He congratulated the Department and gave all his best wishes.

After the welcome address, Dr S.K.Bansode, Asst. Prof., Dept. of English, introduced invited speaker Dr Ajay Deshmukh to all the attendees in the national invited talk.

The invited speaker Dr Ajay Deshmukh sir discussed various aspects of Film Adaptation and Literary Forms. He surveyed the history and transformation of many famous adapted films like, *Devdas*, *Shatranj ke Khiladee* etc. moreover he focused on some hidden perspectives of adaptation, like, copyright and all. It was crystal clear by his discussion that 'Adaptation of anything is not a one day process; rather it is transformative one!'

The interaction session was held in which teachers also shared the information regarding the topic and asked the queries to the Invited Speaker. Total 45 attendees, including teachers, outsider Faculties and students attended the Webinar with their active participation.

The national invited talk was concluded with the Vote of Thanks given by V.P. Khandizod, Faculty, and Dept. of English. The program was compeered by Ms. K.N. Mhaske, Faculty, Dept. of English.

## **Report of Certificate Course: Vermiculture and Vermicomposting**

**Academic Year: 2020 - 2021**

Department of Zoology conducted Certificate Course, Vermiculture and Vermicomposting with duration of two months with weightage of 25 lectures including theory and practical experience, from 01<sup>st</sup> April 2021 to 31<sup>th</sup> May 2021 in the academic year 2020-21.

This course will be the best platform for the students to get an idea about Vermitechnology, which could help them to create self-employment, organic farming, use of biofertilizer, ecofriendly techniques useful for environmental protection and also to interact with the teacher, making it responsible for them to develop a strong relationship with the respective to the subject, adviser and other students and become confident for higher graduation studies and placements.

### **Outcome of the Certificate Course:**

- 9) Students learn to all basic concepts of Vermiculture techniques.
- 10) Students learn to solve environmental problems like pollution by using vermicompost as a biofertilizer for crop cultivation.
- 11) Students can implement vermiculture practices as profession and thus can solve the problem of unemployment.
- 12) Students learn to identify the types of earthworms species and aware of rearing techniques of earthworms.

<b>Venue</b>	Classroom

**Brief Summary**

A Certificate Course on Financial Literacy was conducted in this academic year from 01/12/2020 to 28/01/2021 by the Department of Economics. The said course is of 30 lectures hours conducted in two months duration. Syllabus of this course is divided into four major chapters. Indian Banking Structure, Modern Banking, Method of Remittances and Reserve Bank of India these are major chapters taught in this course. Analysis method of this course is objective type. Qualified students are awarded with the certificate. Total of 25 students of the Department of Economics successfully completed the said course.

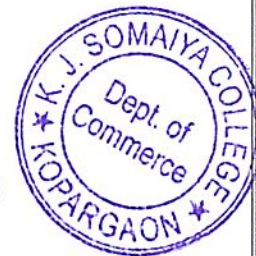

**Outcome:**

1. Improved financial literacy.
2. Better decision making regarding their finances.
3. Increased confidence and knowledge of financial matters can boost confidence in handling money matters.
4. Enhanced career opportunities.

Overall, earning a certificate in financial literacy can positively impact an individual's financial well-being, contributing to a more secure and stable financial future. However, it's essential to remember that financial literacy is an ongoing process, and staying updated with the latest financial trends and developments is crucial for continued success in managing personal finances effectively.

**Brief summary of activity/Event:**

Department of Mathematics runs a certificate course "Principles of programming language". The objective of the course is to develop logics that will help students to create programs. It also aims to provide exposure to problem-solving through programming. Head of the department Dr. B.D. Gavhane inaugurated this course.

The course content is made available to students. The students learn about programming language and solve mathematical problems using programs. Students studied the implementation of numerical analysis to solve problems in Mathematics for which a quantitative theory already exists.

**The outcome of activity/Event:**

1. Developed logic that helped students to create programs.
2. Students learned the basic programming constructs they can easily switch over to any other language in the future.

# Report of one day webinar on “Online Examination Procedure, Login and Password and Related Queries”

(09 April 2021, Time: 9:30 AM)

One day webinar on “Online Examination Procedure, Login and Password and Related Queries” was organized by students mentoring program and IQAC on Friday, 9<sup>th</sup> April 2021. For this webinar Dr. Ganesh S. Shinde who is working as Controller of Examination (CEO), K. J. Somaiya College Kopergaon was invited as resource person. Program started with introductory speech of Prof. R. A. Jadhav. In the Introductory speech Prof. R. A. Jadhav shares information of students mentoring cell. He also explained Dr. Ganesh Shinde is a hard working person working as CEO of our college from last 8 years. Later Dr. V. C. Thanage gives IQAC address to audience. In his address Dr. Thanage shares that we all are proud of Dr. Ganesh Shinde that, He is doing notable work for conducting online examination of college. After IQAC address Principal Dr. B. S Yadav address the audience, Dr. Yadav told audience that after the covid-19 pandemic it was need of hour to organize such talk. He also told students to be attentive during program. Later on Prof. M. B. Khose gives introduction of resource person. After that Dr. Ganesh Shinde started his talk. Dr. Ganesh Shinde divided his talk into two parts, in first part he gives “How to generate user id and password for facing online examination” and in later half he answered queries on “online examination of S. P. Pune University (SPPU)”. Dr. Shinde explained in detail during Covid-19 pandemic S. P. Pune University decided to carry out all theory and practical examinations online. To carry online examination SPPU developed online platform for students. Dr. Shinde also give demonstration on SPPU website for students for creating password, username, etc. In later half Dr. Shinde answered queries raised by students regarding online examination of SPPU. This Programme was anchored by Prof. N. S. Pote and vote of thanks was given by Dr. S. L. Aragade

#### One Day Webinar on “Strategies to Crack Competitive Exams in Chemical Sciences”

The department of Chemistry and IQAC has organized a one day webinar on “Strategies to Crack Competitive Exams in Chemical Sciences” on 11<sup>th</sup> February 2021. This programme was open to all students as well as faculty members in order to get an idea about the various opportunities and strategies to crack competitive exams in chemical sciences. This webinar was carried out in two sessions. In the beginning Dr. S.B. Kale (Convener of the Webinar) has given introduction about webinar. Prof. V. C. Thange, Coordinator, IQAC was addressed regarding the role of IQAC regarding the various students related activities run by IQAC. Then principal of the college Dr. B. S. Yadav has given the welcome speech and announced the inauguration of the programme.

In the first session, the introduction of resource person Mr. Rajiv Abhyankar was given by Dr. N.R. Dalvi, coordinator of webinar. Mr. Rajiv Abhyankar then addressed the participants regarding different strategies to crack competitive exams in chemical sciences. The vote of thanks for first session was proposed by Dr. N.T. Dhokale.

The second session was started by the introduction of resource person Mr. Tauhed Nadeem by prof. S.S. Nagre. Then Mr. Tauhed Nadeem was addressed to the participants. He focused on various competitive exams in chemical sciences. The vote of thanks for second session was proposed by Dr. S.G. Konda.

(2020-2021)**

January 21, 2021

Department of Microbiology in association with IQAC had organized a one day webinar on "Strategies to Crack Competitive Exams in Life science" dated on 21<sup>st</sup> Jan 2021. About 194 students have registered for the event and 100 students from different streams of life sciences have attended the event along with teachers. The event was held online on Google Meet platform.

The event was attended by the Guest Speakers Prof. Digambar Jagtap and Prof. Dadasaheb Sondge; a well-recognized mentor from IFAS Edutech Pvt. Ltd. Pune. Principal Dr. B. S. Yadav, IQAC coordinator Prof. V. C. Thange, Head Dept of Microbiology Mr. A. D. Pawar, Head Dept of Zoology Mr. R. D. Gawali, P.G. Coordinator Y. S. Chaudhari and faculty members of all Life sciences department.

Mrs. Renuka Shrigondekar Welcome and introduced the guest and Mr. A.D.Pawar gave an introduction and briefing of program.

Prof. Digambar Jagtap briefed about the event and gave introduction about the competitive exams held over the world.

Prof. Dadasaheb Sondge briefed about the competitive exams in life sciences. In his speech he gave information and guided the students about the current scenario about competitive exam like SET, NET, GET, BARC, etc. in the field of life sciences. They spoke with great enthusiasm and with his words he cherished the entire environment.

They gave information about their organization; IFAS. Students were influenced and shown great response towards there speech.

In the end, Ms. Pooja Gakkhad offered a Vote of Thanks to invited guests, Principal Dr. B. S. Yadav, IQAC coordinator Prof. V. C. Thange, Head Dept of Microbiology Mr. A. D. Pawar, Head Dept of Zoology Mr. R. D. Gawali, P. G. Coordinator Y. C. Chaudhari and faculty members of all Life sciences department.

Webinar Report 6/11/2020

---

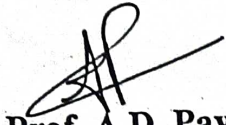

IQAC and Department of Life Sciences of Kopargaon Taluka education society's K.J. Somaiya College of Arts, Commerce and Science Kopargaon has organized one day National webinar on Applied Aspects of Life Sciences on 6 November 2020 . This National webinar was scheduled in two sessions. In this webinar coordinator and Head, Department of Botany Dr. B. S. Gaikwad has given the introduction of webinar and idea behind the organisation of webinar.

IQAC Coordinator prof. V.C. Thange has given introductory speech and in his introductory speech he has given the progress which is takes place in the internal quality of Institution. Honorable Principal of K.J. Somaiya College, Kopargaon Dr. B.S.Yadav has given welcome address, in his welcome address he welcome the resource persons and he has given the graph of continuous progress of Institution. Prof. A.D.Pawar , organising secretary & Head of Department of microbiology has given the introduction of resource person Prof. Niranjana Behera , former Dean Science and Technology, Sambalpur University, Odisha. In first session Prof. Niranjana Behera has given plenary lecture on topic: Microbial diversity and Environment. In his lecture he has given the concept of the vital role of microorganism for sustainable development and welfare of human beings.He has

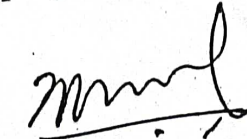

also focused on the role of microbes in positive and negative views. As far as the benefit is concerned the microbes are beneficiary as well as they are also harmful but for the purpose of protection of environment use of microorganisms is beneficial. In second session Dr. G. S. Shinde, Department of Botany has given introduction of resource person Dr. Rani Bhagat, Assistant Professor, Department of Botany, Baburaoji Gholap College Sangvi, Pune. **Dr. Rani Bhagat has delivered lecture on the topic: Prospects and prospective in plant studies**. In her lecture she has given the idea of Biodiversity of Northern Western Ghats of Maharashtra particularly the Mulshi dam region and she has explore flora of Mulshi dam region. Due to continuous disturbances flora of this region is in danger, so overcome such problem all scientist must be aware about the use of flora of Northern Western region Mulshi dam region. Coordinator and Head, Department of Zoology Dr. R. D. Gawali has given the introduction of resource person Prof. M. B. Mule, Professor, Department of Environmental Science Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. Prof. M. B. Mule has delivered the lecture on topic: **Applied Science: Role in Human development and in Protection of Environment**. In his lecture he has given the positive effect of lock down period in pandemic situation on the environment. As far as the environment and river are concerned, rivers are so clean and environment is less polluted. He said that on one hand environment gets clean due to less disturbance of human beings but on other hand human beings are frightened due to pandemic situation of Corona- 19. Life sciences must be utilized for protection of environment as well as for development of Nation. He also said that protection of the environment is the protection of the biodiversity on the planet. Lastly Dr. N. G. Shinde, Department of Zoology, proposed vote of thanks. In this webinar about 110 students and staff were present. For success of webinar Principal of College Dr. B. S. Yadav, Vice- Principal Dr. S. R. Pagare, IQAC coordinator Prof. V. C. Thange,

Science faculty incharge Dr. B. B. Bhosale has given the moral support. The valuable guidance and support was also given by the chairman of Kopargaon Taluka Education Society Hon. Ashokrao Rohamare, Secretary Ad. Sanjeev Kulkarni, office bearers of Kopargaon Taluka Education Society, Kopargaon.

**One Day workshop on 'Cyber Security'**

**Department of BBA\_CA**

**ACADEMIC YEAR: 2020-21**

**Date:** 31 Oct 2020

**Number of Participants** : 55

**Report:** The Department of BBA\_CA organized a one day workshop on '**Cyber Security and Ethical Hacking**' on the 31st Oct, 2020. **Dr. Charansing Kayate** from **Institute of Forensic science, Aurangabad** was the Resource Person for the workshop who shared his experience and knowledge with the student community regarding the theme.

With the world turning into one global village and the fact that most of the official work (private and public) is done through computer and computer systems, it is important to ensure security in such cases. All the necessary documents, information, and data are stored in a computer these days which shall be protected with utmost care. Following this, there is a lot of demand for cybersecurity and ethical hacking professionals to keep all the sensitive information protected from the hackers and develop new computer protecting the system.

Prof. Gudaghe P.G. proposed vote of thanks. Prof. Bhadane P.S. coordinated the event.

**TOPIC:**

## **Webinar on Cancer Awareness**

**Date- 20/10/2020 11.00 AM**

Zoom - ID: 88231282007

meeting: <https://us02web.zoom.us/j/88231282007?PWD=V2VSS3h4RDh4QVJhbFc5V24xOUExQT09>

Organized By- NCC

**NCC Sub Unit: K. J. Somaiya College of Arts, Science & Commerce  
College, Kopargaon**

**Under Unit: 57 Maharashtra Battalion NCC, Ahmednagar**

**Webinar on Cancer Awareness**

**Online mode**

**In association with**

**Sanjeevani-Life beyond Cancer (NGO, Mumbai),**

**Date: 20<sup>th</sup> October 2020**

Online webinar was organised on “**Cancer Prevention and Healthy lifestyle**” in association with Sanjeevani-Life beyond Cancer, NGO organization from Mumbai working for spreading awareness about different types of cancer, its precautionary measures, working for the betterment of the people suffering from cancer. The webinar was conducted on 20<sup>th</sup> October 2020 from 09:00 am to 11:00 am.

The webinar was very fruitful & NCC cadets, students and teachers from college actively participated in the webinar and get their doubt clear about the cancer also got the information about early detection and treatment of the disease & work carried out by the Sanjeevani-life beyond cancer.

Miss Sangita Das from the Sanjeevani organization help to arrange the webinar and coordinated for smooth functioning of the said webinar.

**Academic Year 2019-20**

**Report**

Name of Certificate Course	CERTIFICATE COURSE IN TRAVEL AND TOURISM MANAGEMENT
Duration	1 month (30 hours )
Name of Faculty	Dr. K.L.Giramkar. Prof. D.P.Bagul Prof. Y.P.Shinde
Number of Participants Enrolled	25
Venue	Department of History

**Brief Summary of Activity**

Travel and Tourism Management Certificate Course was organized from 1st February to 29th February 2020 through the Department of History. This year, 25 students of the department have successfully completed this course after taking admission for this course. Prof. Dr. KL Giramkar, Prof. D.P. Bagul, Prof. Y. P. Shinde completed teaching this course. As convener Prof. D.P. Bagul saw the work.

## **Report of Certificate Course: Vermiculture and Vermicomposting**

**Academic Year: 2019 - 2020**

Department of Zoology conducted Certificate Course, Vermiculture and Vermicomposting with duration of two months with weightage of 25 lectures including theory and practical experience, from 01<sup>st</sup> January 2020 to 29 February 2020 in the academic year 2019-2020.

This course will be the best platform for the students to get an idea about Vermitechnology, which could help them to create self-employment, organic farming, use of biofertilizer, ecofriendly techniques useful for environmental protection and also to interact with the teacher, making it responsible for them to develop a strong relationship with the respective to the subject, adviser and other students and become confident for higher graduation studies and placements.

### **Outcome of the Certificate Course:**

- 5) Students learn to all basic concepts of Vermiculture techniques.
- 6) Students learn to solve environmental problems like pollution by using vermicompost as a biofertilizer for crop cultivation.
- 7) Students can implement vermiculture practices as profession and thus can solve the problem of unemployment.
- 8) Students learn to identify the types of earthworms species and aware of rearing techniques of earthworms.

<b>Number of Participants enrolled</b>	25
<b>Venue</b>	Classroom

**Brief Summary**

A Certificate Course on Financial Literacy was conducted in this academic year from 04/12/2019 to 28/01/2020 by the Department of Economics. The said course is of 30 lectures hours conducted in two months duration. Syllabus of this course is divided into four major chapters. Indian Banking Structure, Modern Banking, Method of Remittances and Reserve Bank of India these are major chapters taught in this course. Analysis method of this course is objective type. Qualified students are awarded with the certificate. Total of 25 students of the Department of Economics successfully completed the said course.

**Outcome:**

1. Improved financial literacy.
2. Better decision making regarding their finances.
3. Increased confidence and knowledge of financial matters can boost confidence in handling money matters.
4. Enhanced career opportunities.

Overall, earning a certificate in financial literacy can positively impact an individual's financial well-being, contributing to a more secure and stable financial future. However, it's essential to remember that financial literacy is an ongoing process, and staying updated with the latest financial trends and developments is crucial for continued success in managing personal finances effectively.

**Brief summary of activity/Event:**

Department of Mathematics runs a certificate course "Principles of programming language". The objective of the course is to develop logics that will help students to create programs. It also aims to provide exposure to problem-solving through programming. Head of the department Dr. B.D. Gavhane inaugurated this course.

The course content is made available to students. The students learn about programming language and solve mathematical problems using programs. Students studied the implementation of numerical analysis to solve problems in Mathematics for which a quantitative theory already exists.

**The outcome of activity/Event:**

1. Developed logic that helped students to create programs.
2. Students learned the basic programming constructs they can easily switch over to any other language in the future.

**Name of Activity: Lecture on Intellectual Property Rights (IPR)**

**Date: 02/02/2019**

**Number of Participants: 103**

**Report:**

A Guest Lecture on “Intellectual Property Rights (IPR)” was organized by the Faculty of Commerce and Management and Entrepreneurship Development Cell on Saturday, 2<sup>nd</sup> February, 2019 under the guidance of Principal Dr.B.S.Yadav and IQAC coordinator Dr.V.C.Thange. The guest speaker of the session was Dr.Surinder Wawale, Patent expert, Agasti College, Akole.

A total of 103 students participated in it. The objective of the lecture was to give a brief introduction to IPR and acquaint the students with the various related terms such as copyrights, designs, geographical indicators, patents, trademarks, etc. The session also included a discussion on other types of rights, such as trade secrets, publicity rights, moral rights, and rights against unfair competition, artistic works like music and literature, some discoveries, inventions, words, phrases, symbols, and designs, and all those being protected as intellectual property.

Dr.Surinder Wawale gave a brief introduction of IPR and explained the various related terms such as copyrights, patents etc. The speaker highlighted that the purpose of intellectual property law is to encourage the creation of a wide variety of intellectual goods. Intellectual property rights refer to the general term for the assignment of property rights through patents, copyrights and trademarks.

The speaker also answered the queries of the participants. The program proved to be very informative for all the students. Prof.G.K.Chavhan introduced the resource person and Prof.Dr.R.A.Jadhav presented vote of thanks. The program was coordinated by Dr.S.L.Argade from commerce department.

# Report of Certificate Course: Vermiculture and Vermicomposting

Academic Year: 2018 - 2019

Department of Zoology conducted Certificate Course, Vermiculture and Vermicomposting with duration of two months with weightage of 25 lectures including theory and practical experience, from 01<sup>st</sup> January 2019 to 28<sup>th</sup> February 2019 in the academic year 2018-19.

This course will be the best platform for the students to get an idea about Vermitechnology, which could help them to create self-employment, organic farming, use of biofertilizer, ecofriendly techniques useful for environmental protection and also to interact with the teacher, making it responsible for them to develop a strong relationship with the respective to the subject, adviser and other students and become confident for higher graduation studies and placements.

## Outcome of the Certificate Course:

- 1) Students will learn to all basic concepts of Vermiculture techniques.
- 2) Students learn to solve environmental problems like pollution by using vermicompost as a biofertilizer for crop cultivation.
- 3) Students can implement vermiculture practices as a profession and thus can solve the problem of unemployment.
- 4) Students will learn to identify the types of earthworm's species and aware importance of rearing techniques of earthworms.

<b>Venue</b>	Classroom

**Brief Summary**

A Certificate Course on Financial Literacy was conducted in this academic year from 10/10/2018 to 08/02/2019 by the Department of Economics. The said course is of 30 lectures hours conducted in two months duration. Syllabus of this course is divided into four major chapters. Indian Banking Structure, Modern Banking, Method of Remittances and Reserve Bank of India these are major chapters taught in this course. Analysis method of this course is objective type. Qualified students are awarded with the certificate. Total of 25 students of the Department of Economics successfully completed the said course.

**Outcome:**

1. Improved financial literacy.
2. Better decision making regarding their finances.
3. Increased confidence and knowledge of financial matters can boost confidence in handling money matters.
4. Enhanced career opportunities.

Overall, earning a certificate in financial literacy can positively impact an individual's financial well-being, contributing to a more secure and stable financial future. However, it's essential to remember that financial literacy is an ongoing process, and staying updated with the latest financial trends and developments is crucial for continued success in managing personal finances effectively.

## A guest lecture on '*Enriching English Language*'

14<sup>th</sup> September, 2018 at 10.00 a.m.

### Report

The Guest Lecture on the topic on '*Enriching English Language*' through 'Certificate Course in Communication Skills in English' was jointly organized by Internal Quality Assurance Cell and Department of English, on 14<sup>th</sup> September, 2018 at 10 A.M. in Sakarben Hall of the college. The Chief Guest was Mr. Shripad Joshi sir, Assistant Professor, Dept. of English, Clara's College of Commerce, Versova, Mumbai.

In the beginning of the program, Mr. V.C. Thange, Coordinator, IQAC and Head, Dept. of English delivered an Introductory Speech regarding on '*Enriching English Language*', chosen for Lecture. He also welcomed all the faculty members and the students present for the program.

After the introductory speech by Ms. Aher. V.S and welcome address, Hon. Prin. Dr. B. S. Yadav sir felicitated the chief guest Mr. Shripad Joshi sir.

After the short program of felicitation, Mr. Kale S. D., Faculty, Dept. of English introduced invited speaker to the audience.

The Chief Guest was Mr. Shripad Joshi sir delighted by his knowledge and experience to all the students about the communication and linguistic skills in Enriching English language and stated the importance of being innovative and creative while speaking in English.

After the guest lecture, question and answer session was held and students asked their doubts and the guest elaborated them.

The guest lecture was concluded with the Vote of Thanks proposed by Dr. S.K. Bansode sir, Faculty, Dept. of English. The program was compeered by Mr. Kale .S.D., Faculty, and Dept. of English.

**2018-19**

**Name of the Activity:** Workshop on “Communication and Interview Skills for Personality Development”.

**Date:** 29/08/2018

**Number of Participants:** 130

One day workshop on “Communication and Interview Skills for Personality Development” was organised on 29<sup>th</sup> August, 2018 by the training and placement assistance cell of the college. Smt.Bhavna Nair of Alpha Educare, Ahmednagar was the resource person for the same.

Dr.S.R.Pagare welcomed the resource person and the guest of honour IQAC coordinator Prof.V.C.Thange and Librarian Prof.N.B.Shinde. Resource person was felicitated by the librarian. In the inaugural address Prof.Thange appreciated the initiative taken by the TPAC for training and bringing up overall development of the students.

The session started with the introduction on the topic and the importance of communication skills in personal and professional life. Participants were explained about the communication method and the process of effective communication, understanding the cycle of communication starting from the sender to the receiver of the message. The different levels of communication were explained and how lateral and horizontal forms of communication among colleagues, peers at the same level for information sharing and coordination helps to save time. As communication is key, knowing and understanding the filters and barriers that can hamper one's overall communication is a must. Participants were encouraged to practice active listening as it helps in overall communication skills. Focus was laid on the ways of how an individual communicates (spoken word, visuals, written word, body language and social media).

The resource Person also focused on Interview skills. The resource person instructed the participants on how to sit for an interview. Discussions on why interviews are important and how they are necessary in order to select the right candidate were also made. Participants were given an insight to the need to select the right candidate and assess the candidate if he/she has the skill set

required as per the needs of the organization. To understand if the candidate has the skill set to perform the requirements of the organization and from the interviewees perspective to initiate a connection with the interviewer to seek employment and enhance his/her skill sets. The resource person explained about dress code and attire, the difference between formals, semi formals and casuals. Participants were encouraged to build up their self-confidence. Videos of the mock interviews were shown to ensure that the participants learn through the kinesthetic method. Mock interviews were conducted for the participants.

Prof.Smt.S.B.Bhingardive proposed vote of thanks. Dr.G.K.Chavhan and Dr.N.T.Dhokale coordinated the event.

Report

Name of Certificate Course	Computer Hardware and Network
Date & Duration	21 <sup>st</sup> Jan 2019 to 22 <sup>th</sup> March 2019 36 Hours
Name of Faculty	Computer Science
Number of Participant enrolled	30
Venue	Department of Computer Science

**Brief Summary of Activity:**

Department of Computer Science runs certificate course in Computer Hardware and Network. The objective of the course is to develop skill among the students to acquire basic knowledge in Computer hardware and peripherals for installation. To assemble the PC and trouble shooting and maintenance. To develop skill set, required in network technology. To gain basic knowledge of TCP/IP networks and to understand the internet architecture. The course content is made available to the students. Hon. Principal Dr. B. S Yadav inaugurated this course.

**Outcome of the Course:**

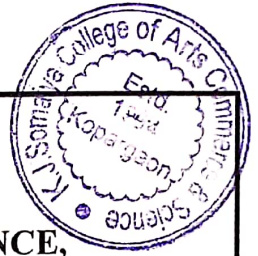

- 1) Student acquired basic knowledge of computer hardware.
- 2) Students are able to assemble PC, they learn to solve trouble shooting problems in PC.
- 3) Students get good skill about network technology.

## **One Day workshop on 'Cyber Security & Ethical Hacking'**

**Department of BBA\_CA**

**ACADEMIC YEAR: 2018-19**

**Date:** 18 Nov 2018

**Number of Participants : 21**

**Report:** The Department of BBA\_CA organized a one day workshop on 'Cyber Security and Ethical Hacking' on the 18th Nov, 2018. **Dr. Charansing Kayate** from **Institute of Forensic science, Aurangabad** was the Resource Person for the workshop who shared his experience and knowledge with the student community regarding the theme.

With the world turning into one global village and the fact that most of the official work (private and public) is done through computer and computer systems, it is important to ensure security in such cases. All the necessary documents, information, and data are stored in a computer these days which shall be protected with utmost care. Following this, there is a lot of demand for cybersecurity and ethical hacking professionals to keep all the sensitive information protected from the hackers and develop new computer protecting the system.

Ethical Hacking includes few steps as follows:

- Reconnaissance.
- Scanning.
- Gaining Access.
- Maintaining Access

Prof. Bhadane P.S proposed vote of thanks. Prof. Rohmare R.B. coordinated the event.

Name of Certificate Course	'C'- Programming Language
Date & Duration	1) 1 <sup>st</sup> Aug 2018 to 31 <sup>st</sup> Oct 2018, 36 Hrs. 2) 20 <sup>th</sup> Nov 2018 to 20 <sup>th</sup> Feb 2019, 36 Hrs.
Name of Faculty	Science
Number of Participant enrolled	61
Venue	Department of Computer Science

**Brief Summary of Activity:**

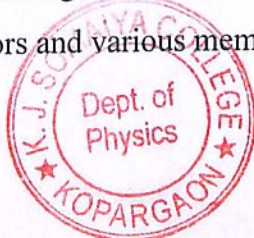

Department of Physics runs certificate course in 'C'- Programming Language. The objective of the course: Programming basics and the fundamentals of C, Data types in C, Mathematical and logical operations, Using if statement and loops, Arranging data in arrays, Implementing pointers & File management and dynamic memory allocation

The course content is made available to the students. Hon. Principal Dr. B. S Yadav inaugurated this course.

**Course outcomes:**

After completion of this course student will be able

- Develop a C program
- Control the sequence of the program and give logical outputs
- Implement strings in your C program
- Store different data types in the same memory
- Manage I/O operations in your C program
- Repeat the sequence of instructions and points for a memory location
- Apply code reusability with functions and pointers
- Understand the basics of file handling mechanisms
- Explain the uses of pre-processors and various memory models
