- **INFLIBNET N-list (Information and Library Network)**

The Project entitled “National Library and Information Services Infrastructure for Scholarly Content (N-LIST)”, being jointly executed by the UGC-INFONET Digital Library Consortium, INFLIBNET Centre and the INDEST-AICTE Consortium, IIT Delhi provides for i) cross-subscription to e-resources subscribed by the two Consortia, i.e. subscription to INDEST-AICTE resources for universities and UGC INFONET resources for technical institutions; and ii) access to selected e-resources to colleges.

E-journal and e-book services offered through N-LIST INFLIBNET provide users with convenient and flexible access to a wealth of academic content. With individual login credentials, users can explore electronic resources, conduct research, and stay updated on the latest developments in their fields from anywhere they have internet access. This enhances the learning and research experience for students, faculty, and researchers in India.
