REPORT

FRUIT PROCESSING (3rd Dec.2018 to 2nd. Jan.2019)

Academic Year 2018-19

The 'Fruit Processing' training program, held from December 3, 2018, to January 2, 2019, was a collaborative effort by the Maharashtra Centre for Entrepreneurship Development, Ahmednagar and the Department of Botany, K.J. Somaiya College, Kopargaon. Sponsored by the District Industries Centre for Women Self-Help Group, Kopargaon, the program witnessed active participation from 33 women. The Department of Botany, led by Dr. B.S. Gaikwad, Dr. G.S. Shinde, Prof. R.S. Landge, and Prof. Mrs. A.M. Shaikh, orchestrated the training.

Dr. G.K. Chavhan served as the course coordinator and Dr. S.R. Pagare assumed the role of the course chairman. The overall coordination of the Fruit Processing program was overseen by Y.K. Daphade, Project Officer at MCED, Ahmednagar. The course covered fundamental information on fruits and their processing, offering practical insights into the various byproducts of fruits. Topics included the nutritional value of fruits in daily diets, the chemical composition of different fruits, and the production of byproducts such as amla candy, amla supari, ketchup, sauce, barfi, various juices, and even mushroom cultivation.

The practical sessions were conducted with active involvement from the trainees of the Department of Botany, providing hands-on experience. The successful execution of the training program highlighted the commitment and collaboration between the entities involved, contributing to the skill development and empowerment of the participating women in the realm of fruit processing.

Extension & Outreach Activities

Under

Under Unnat Bharat Abhiyan & National Service Scheme

The NSS unit of K.J.Somaiya College of Arts, Commerce and Science has been actively engaged in developmental and environmental work in the villages of Bahadarabad, Anjanapur, and Bahadarpur since 2015-16. Recognizing the severe water scarcity in Anjanapur, the college authorities, in collaboration with NSS camps, initiated a mega tree plantation program. Over the span of six to seven years, more than a thousand trees were planted, leading to a significant improvement in the village's water situation. The successful growth of these trees has not only replenished water sources but also revitalized the monsoon activity in the region. Additionally, the repair of the bandhara (A small pond) has further contributed to meeting the water needs of the entire village. This remarkable achievement garnered recognition from governmental and non-governmental organizations, with the villagers commemorating the moment by laying down a cornerstone and felicitating the college authorities.

In 2018-19, K.J.Somaiya College of Arts, Commerce and Science was selected as a Participating Institute (PI) for the Unnat Bharat Abhiyan (UBA), a flagship program of the Ministry of Human Resource Development (MHRD), Government of India. Under this initiative, the college has been actively involved in raising social and environmental awareness in five villages—Dauch Khurd, Dauch Budruk, Ghari, ChandeKasare, and Derde Korhale in Kopargaon Tehsil. Faculty and students participate in various activities organized by UBA, including scientific interventions and technology development aimed at addressing social and environmental issues at the village level. The college strongly encourages student participation in these activities to foster societal uplift.

To facilitate social activities and village development planning, groups of faculty members and students visit selected villages to interact with key stakeholders such as the Village Sarpanch, Gramsevak, School Headmaster, teachers, Gram Panchayat Members, students, and other villagers. These interactions aim to gain insights into the village ecosystem and identify pertinent issues, with discussions held on introducing developmental activities supported by college students and faculties. The college's involvement in UBA underscores its commitment to leveraging technology and scientific solutions for the holistic development of rural communities.

Vision

Unnat Bharat Abhiyan is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India.

Mission

The Mission of Unnat Bharat Abhiyan is to enable higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. It also aims to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors in responding to the development needs of rural India.

Goals

- To build an understanding of the development agenda within institutes of Higher Education and an institutional capacity and training relevant to national needs, especially those of rural India.
- To re-emphasize the need for field work, stake-holder interactions and design for societal objectives as the basis of higher education.

- To stress on rigorous reporting and useful outputs as central to developing new professions.
- To provide rural India and regional agencies with access to the professional resources of the institutes of higher education, especially those that have acquired academic excellence in the field of science, engineering and technology, and management.
- To improve development outcomes as a consequence of this research. To develop new professions and new processes to sustain and absorb the outcomes of research.
- To foster a new dialogue within the larger community on science, society and the environment and to develop a sense of dignity and collective destiny.

REPORT

ACADEMIC YEAR: 2018-19

- Selection of Villages: After a discussion with Principal Dr. B.S. Yadav, five villages were selected for adoption: Dauch Kd, Dauch Bk, Ghari, Bahadarabad & Bahadarpur.
- Village Visits and Dialogue: A team comprising Dr. S.K. Bansode, Dr. B.S. Gaikwad, and Dr. S.M. Deore visited these villages. They engaged in dialogue with villagers, Sarpanch (village head), and other members of the Gram Panchayat to understand their problems and needs. College students and the NSS department played a significant role in arranging these meetings.
- Data Collection: Village survey forms were prepared, and information was collected with the help of Gramsevak (village officials) regarding various aspects of village life and development issues.
- Orientation Programme: On April 25, 2018, the Coordinator of the college's UBA program, Dr. S.K. Bansode, and Vice-Principal Prof. S.R. Pagare participated in an orientation programme for Unnat Bharat Abhiyan at the All India Council for Technical Education Auditorium in New Delhi. They learned about the functioning of UBA at the college level and gained insights into how to structure the program.
- Structuring UBA Activities: Based on the information gathered from the orientation programme, a structure for UBA activities at the college level was prepared, and responsibilities were assigned to the concerned individuals.
- Overall, it seems like your institute is actively engaging with the UBA programme and making efforts to contribute to rural development through dialogue, data collection, and structured activities.

UNNAT BHARAT ABHIYAN

REPORT

ACADEMIC YEAR: 2019-20

- During this academic year, alongside village surveys, household surveys were conducted in the five adopted villages. Here are the findings and proposed remedies:
- Population Composition: The average percentage of the population in Ghari village is as follows: Open + OBC 58%, ST 32%, and SC 10%. Other villages show similar distributions, except for the ST category, which ranges from 10% to 15% in the other four villages. The SC category comprises around 25% to 30% of the population in these villages.
- Economic Condition of Marginalized Groups: The economic condition of SC and ST categories ranges from lower-middle class to poor. They possess less land and property compared to open categories.
- Education: Primary education rates are good across all categories due to the availability of primary schools and government-provided nutritious diets.
- Electricity and Water Issues: Electricity availability is a major concern, particularly for farming. Water scarcity is prevalent in villages like Bahadarabad and Bahadarpur, prompting suggestions for the construction of water storage facilities such as ponds and tanks.
- Sanitation: Shortage of public toilets is observed, with some families having toilets but being reluctant to use them. Suggestions include constructing more toilets, with assistance from the UBA unit in preparing proposals.
- Animal Healthcare: Lack of an animal hospital necessitates trips to cities for critical conditions. Suggestions include establishing an animal hospital or arranging for visiting veterinarians.
- Roads and Transportation: Road conditions are poor despite road connectivity, prompting proposals for better quality roads and transportation facilities.
- Tree Plantation: Villages have insufficient tree coverage, leading to plans for tree plantation drives.
- Employment: Farming and milk collection are primary economic activities, with employment opportunities available in these sectors.
- Health Awareness: Low awareness about health, particularly among women and children, necessitates health awareness programs.

- Education Levels: Education levels range from 12th grade to degree courses, with some pursuing engineering. However, there's a dropout rate for girls after 12th grade, highlighting the need for awareness and plans to promote girls' education.
- Workshops and Training: The coordinator attended a workshop at Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, indicating ongoing efforts for capacity building and knowledge exchange.
- These findings and proposed remedies reflect a comprehensive approach to address various socio-economic challenges in the adopted villages under the UBA programme.

UNNAT BHARAT ABHIYAN

REPORT

ACADEMIC YEAR: 2020-21

During this academic year, two new villages, Chande-kasare and Derde-Korhale, were selected for the Unnat Bharat Abhiyan (UBA) program. Prof. Bhausaheb Hon and Dr. S.B. Kute were appointed as coordinators for these villages, respectively. Survey work commenced in both villages under their supervision, while efforts to upload survey data from the other three villages continued.

A meeting was organized in the college with the Sarpanch, Gram Sevaks, and other office bearers of both villages, chaired by the Honorable Principal, Dr. B.S. Yadav. During the meeting, it was decided to conduct various development activities including tree plantation drives, water conservation initiatives, health and hygiene awareness programs, as well as campaigns on nutrition and cleanliness. In response to the COVID-19 pandemic, awareness programs were conducted, banners were displayed in strategic locations, and masks were distributed to villagers, prepared by NSS students of the college. These efforts were highly appreciated by the villagers, with support and assistance provided by the Gram Sevaks.

Coordinators made frequent visits to the adopted villages to address various developmental issues. Valuable guidance for these activities was provided by Principal Dr. B.S. Yadav and IQAC Coordinator Dr. V.C. Thange. Additionally, the chairman of Kopargaon Taluka Education Society, Hon. Ashokrao Rohamare, Secretary Hon. Adv. S.D. Kulkarni, and Trustee Hon. Sandipaji Rohamare extended every possible assistance for developmental purposes.

This collaborative effort demonstrates a strong commitment to the holistic development of the adopted villages, with support from various stakeholders including the college administration, local authorities, and community members.

Respected sir,

We are in receipt of your mail dated 11th March 2021 regarding the change in adopted village. We are very sorry for delay in reply. Due to grim situation of covid-19 in our place we could not manage to reply you quickly.

Newly adopted villages Chande Kasare and Derde - Korhale comes under Ahmednagar District which is the same for other three villages.

Earlier we submitted the data of villages Bahadarabad and Bahadarpur but now we have replaced these two villages. Kindly ignore the data of these two villages and admit the villages Chande Kasare and Derde - Korhale for filling up the data of the same.

Kindly do the needful and oblige.

Thanking you

Kind Regards,

Dr. B. S. Yadav

UNNAT BHARAT ABHIYAN

REPORT

ACADEMIC YEAR: 2021-22

During the academic year, a tree plantation drive was successfully conducted in the adopted villages of Dauch Khurd, Dauch Budruk, Ghari, Chandekasare, and Derde-Korhale. The campaign was meticulously planned and executed by Coordinators Dr. S. K. Bansode, Dr. B.S. Gaikwad, and Dr. S.M. Deore.

Dignitaries including Sarpanch Hon. Sanjivani Gursal, Hon. Rajendra Pawar, Hon. Santosh Pawar, Headmaster Hon. Deokar Sir, Teacher Bansode Madam, and other respected villagers actively participated in planting trees across various locations in the villages. The activity not only contributed to environmental conservation but also raised awareness among school students. Under the guidance of the Head of Botany department and UBA Coordinator Dr. B.S. Gaikwad, students were educated about rare tree species and received tips for maintaining a healthy lifestyle. The event culminated with students taking an oath of cleanliness, further emphasizing the importance of environmental stewardship.

Furthermore, a study tour to the model village of Patoda/Gangapur Nehari in Aurangabad District was organized by the college. Sarpanches, Deputy Sarpanches, Gram Sevaks, and Gram Panchayat members from all five adopted villages were invited to participate. Coordinators Dr. S. K. Bansode, Dr. B. S. Gaikwad, and Prof. Nagare S.S. spearheaded the tour, showcasing innovative practices implemented in the ideal village.

During the visit, participants witnessed various exemplary initiatives, such as providing free grinding services for villagers who pay Gram Panchayat taxes at the beginning of the year, offering hot and cold water through separate taps connected to a water meter, providing free meals to 29 orphan villagers, and leasing out a tractor for farming tasks at nominal charges. Additionally, the village demonstrated a strong commitment to environmental conservation by planting 350 trees annually and implementing effective wastewater management practices.

The study tour left a profound impact on all participants, inspiring them to adopt similar practices in their respective villages. They expressed gratitude to the college for organizing the event and received valuable guidance from the Sarpanch of Patoda, Hon. Bhaskarrao Pere Patil, regarding village development strategies.

Overall, these initiatives underscore the commitment of all stakeholders to promote sustainable development and improve the quality of life in the adopted villages.

Proposal Sent to UBA Under Technology Development for Adopted village Ghari.

Title-Waste Water & Solid Waste Management System.

1. Title of the technology :-

Waste water and solid waste management system

2. Why this technology required (Objective 200 Words) Adopted "Waste water filtration system."

Village Ghari is situated near the river godawari. There is small stream near the village which flows towards the river. The total waste water of the village has a outlet in the small stream. There is no filter system of waste water available in the village. Hence the polluted water is given villages for irrigation. The polluted water is given to the crops. So pollution takes place in the crops also. To solve this problem water filtration technology is requires in the adopted village. Dept of chemistry of our college suggested the three level filtration system for the village Ghari. This system will improve the quality of waste water. The technical support will be provided by the Dept. of chemistry. They will monitor the establishment of the project and after service also filtered water will improve the quality of water and will reduce the pollution. It will improve the overall quality of the environment in and around Ghari. After the successful implementation of this project the same will be implemented in other adopted villages also.

• Solid Waste Management System :-

In the village Ghari, solid waste management system is not available. All the waste of the village is thrown in the open ground. It creates the problem of soil, water and air pollution entire eco-system of the village gets damaged.

Bio-degradable waste and other degradable waste of the village can be given treatment. In this connection Dept. of zoology of our college suggested the technology of biodegradable plant called vermin-compost. This plant will turn the solid waste of the village in useful manure. It will stop the pollution, at the same time, it will give useful manure to the farmers and the needy ones. Establishment of this plant and after care will be monitored by the Dept. of Zoology. Both the projects will improve the overall health of the village and the surrounding area.

- **Role of stockholders in maintaining sustainability after the project duration:-**

- PI will monitor the entire project right from its conception till the complete execution of it.
- PI will instruct to the concerned departments of the college to provide all technical assistance before, during and after the completion of the project.
- Gram panchayat will appoint one person to look after the project during the execution and after service will also be provided by him.
- The students of the college will regularly visit the project site for cleaning and other work.
- Members of gram panchayat will keep an eye on the expenditure of the project and needed assistance will be provided by them.
- Villages will support the appointed person of the gram panchayat for collection of waste and other waste of the village.
- UBA will guide the PI according to the need and will help for successful completion of the project.

- **Impact of this work on learning of students / teachers :-**

- The students will enriched with knowledge of this project of social need.
- The sense of social responsibility will be developed among students and teachers.
- They will learn how to apply their knowledge for the benefit of society.

- **Role of PI after completion of the project duration :-**

- PI will constantly keep in touch with the Gram Panchayat of the adopted village. If any problem arises in the project, the assistance will be provided by the PI.
- PI will ensure the smooth functioning of the project through its concerned departments.
- Name and contact details of students involved in this project.

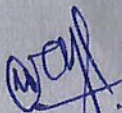

- **Role as PI at Various Stage of the Project :-**

As PI, we will gather all the resources available for the project. PI will provide the technical assistance to the concerned departments. It will also provide all the possible facilities to the concerned people of the college and the adopted village. In the initial stage, the PI will create the awareness about environment among the people of adopted village. Motivation will be given to all the stakeholders of village to participate in this project. Village sarpanch and all the members of the panchayat will be given all the inputs regarding the project. They will be made ready to prepare some fund for the project. Govt. as well as grampanchayat fund will be utilized for same. The objective of UBA will be conveyed to them and the role of UBA will also be conveyed to them.

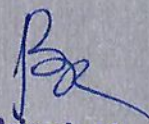

In the later stage, the PI will help the village to establish or construct the project site.

- **Process of Execution of the project :-**

- First of all the technical plan will be prepared with the help of an expert / engineer.
- The plan will be approved by the gram panchayat for final execution, if it is supported by UBA.
- Material will be ordered and made available for actual work.
- Actual work will be monitored by the concerned departments of the college i.e. Dept. of Chemistry and Zoology.
- After the completion of site work, the technical work will take place like filling the ponds / bage with appropriate material.
- After the completion of entire work the end product will be analyzed in the laboratory and will be communicated to the concerned group of UBA.
- PI will monitor all these activities during the work and after the completion of work.

Patoda (Gangapur Nehari -Naigaon) Tal. Dist. Aurangabad Ideal Village

VISIT REPORT

The study tour to the ideal village of Patoda/Gangapur Nehari in Aurangabad district, organized by the college, was a remarkable experience for all involved. On 28/09/2021, the Sarpanch, Deputy Sarpanch, Gramsevak, and Grampanchayat members from five adopted villages were invited to participate in this insightful program. The coordinators of the Unnat Bharat Abhiyan (UBA), Dr. S.K. Bansode, Dr. B.S. Gaikwad, and Prof. Nagare, played pivotal roles in planning and executing the tour.

During the visit, attendees were exposed to numerous innovative initiatives implemented in the village of Patoda. One notable scheme involved providing free grinding services for cereals and pulses to villagers who paid Grampanchayat taxes at the beginning of the year. Additionally, the Grampanchayat ensured access to hot and cold water through separate taps connected to a water meter. The village also extended free meals to 29 orphaned individuals and offered its tractor to villagers for farming activities at minimal charges. Infrastructure-wise, all village roads were constructed with concrete, and an impressive 350 trees were planted annually by the Grampanchayat. Waste water management was another highlight, with a dedicated plant installed to purify water for tree irrigation.

Furthermore, the village had implemented strict bans on liquor, gutka, and all tobacco products, fostering a clean and healthy environment. Notably, the culture of spitting on roads was eradicated. These initiatives left a profound impact on the study tour members, inspiring them to replicate these practices in their respective villages.

The Sarpanch of Patoda, Hon. Bhaskarrao Pere Patil, provided valuable guidance on village development, contributing to the enriching experience of the tour. Overall, participants expressed great satisfaction and gratitude to the college for organizing such an enlightening event, which served as a catalyst for positive change in rural development efforts.

महोदय,

आपल्या महाविद्यालयाने उन्नत भारत अभियानांतर्गत आमच्या गावात मोठ्या प्रमाणात वृक्षारोपण केले. विद्यार्थ्यांना पर्यावरणाविषयी अत्यंत उपयुक्त माहिती डॉ. बी. एस. गायकवाड यांनी दिली. यामुळे शालेय विद्यार्थ्यांमध्ये वृक्षांबद्दल व वृक्षारोपणाबद्दल जाणिव व जिज्ञासा जागृत झाली. याबरोबरच आपण आमच्या सर्व ग्रामपंचायत सदस्यांना आदर्श गाव पाटोदा याचे प्रत्यक्ष दर्शन घडवले त्याबद्दल आम्ही आपले अत्यंत आभारी आहोत.

आपल्या बहुमोल कार्याबद्दल आपले खुप खुप अभिनंदन !

BLOOD DONATION CAMPS

Our College has been organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. Sometimes the camps are organized in association with the Lions Club of Kopargaon and other charitable organizations. Management and the Principal always motivate the staff to organize such camps believing that only generous blood donors can save the society and mankind. While addressing first time donors at the camp our NSS and NCC volunteers bring awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives of many patients and those who have met with accidents. We always believe that it is a great service or contribution to the society.

Blood Group and HIV Testing Camp

The National Cadet Corps (NCC) Unit of our institution successfully organized a Blood Group and HIV Testing Camp in collaboration with Rural Hospital Kopergaon on 18th December 2019. This health-focused initiative aimed to provide valuable healthcare services to the community, promote health awareness, and contribute to the overall well-being of the population.

The primary objective of organizing the Blood Group and HIV Testing Camp was to offer essential health services to the community, including blood group identification and HIV testing. This initiative sought to enhance health awareness, encourage regular health check-ups, and strengthen the bond between the NCC unit and the local healthcare system.

The camp was set up at indoor game hall, K.J.S. College, Kopergaon, chosen for its accessibility and convenience for both NCC cadets and community members. The collaboration with Rural Hospital Kopergaon ensured the availability of medical professionals and equipment for the testing process.

Activities:

1. Testing Process:

- Trained medical staff from Rural Hospital Kopergaon managed the testing process, ensuring confidentiality, accuracy, and counseling for individuals undergoing HIV testing.
- NCC cadets actively participated in facilitating the smooth conduct of the camp.

2. Post-Testing Activities:

- Distribution of individual test results in a confidential and respectful manner.

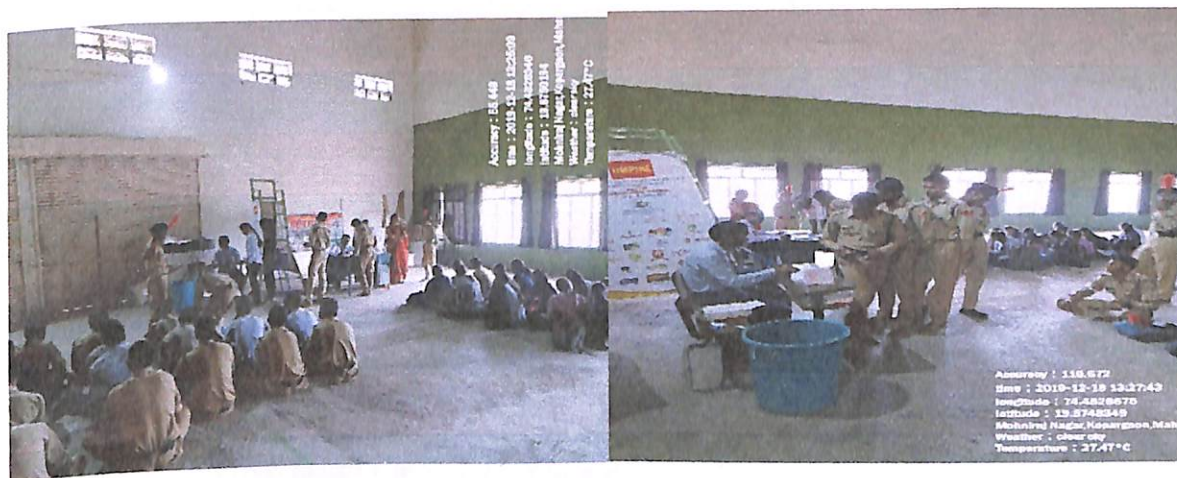

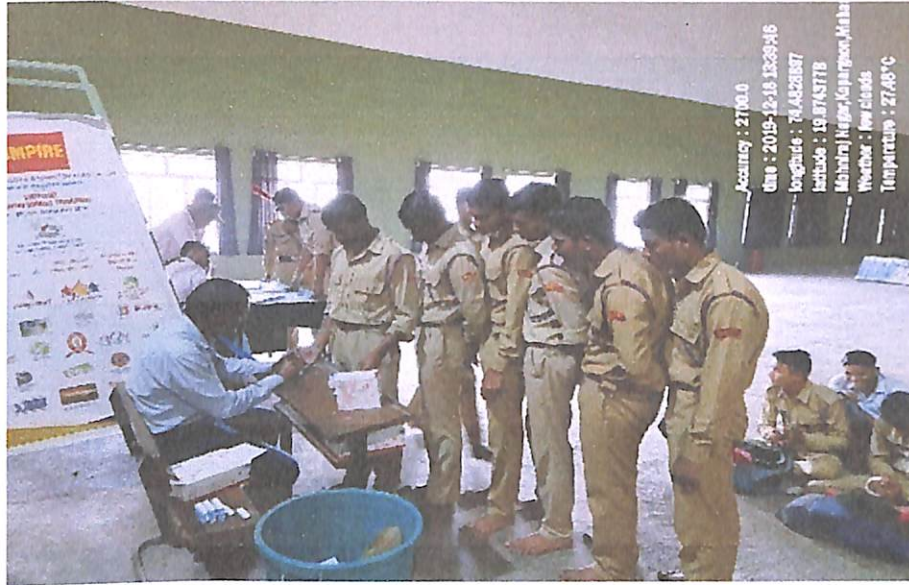

- Educational sessions on the implications of various blood groups and the importance of regular HIV testing for maintaining overall health.

Outcomes:

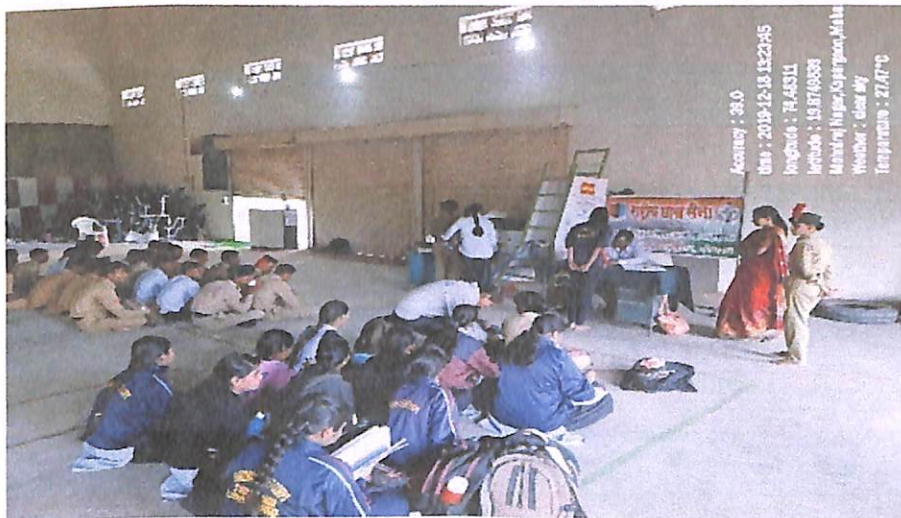

1. Successful identification of blood groups for a significant number of participants.
2. Increased awareness about the importance of regular health check-ups and knowing one's blood group within the community.
3. Strengthened ties between our NCC unit and the local healthcare system through collaborative efforts in providing essential health services.

The Blood Group and HIV Testing Camp organized by the NCC Unit of our institution in collaboration with Rural Hospital Kopergaon on 18th December 2019 was a significant contribution to community health. The event successfully achieved its objectives, and the positive impact on both the local healthcare system and the community is evident.

to me, Sumki

Dear Ma'am / Sir,

Greetings from Sanjeevani- Life Beyond Cancer.

I write to you on behalf of Sanjeevani-Life beyond Cancer, a pioneer in 'Comprehensive Cancer Care.' We are an award-winning non-profit organization working for prevention, early detection, counselling and rehabilitation of cancer and cancer patients. Our focus is on navigating them from Dis-ease to wellness.

One of our major areas of work is to spread awareness. Just to share some data, Cancer is the second leading cause of death globally and was responsible for an estimated 9.6 million deaths in 2018. There are approx. 17 lakh new reported cases in India every year. It is estimated that double that number go unreported. The scenario is alarming and worsening day by day.

Sanjeevani LBC does structured awareness camps in Schools, Colleges and Communities:

Ø Cancer – why and how

Ø Need for prevention and early detection and

Ø Healthy lifestyle habits & wellness

The awareness camps deliver this knowledge through a combination of presentations, Q&A session and a Quiz. The camp ends with a Pledge being taken by participants to take on healthy practices and share the knowledge gained through the camp.

All participants are given E Certificates for their records.

Sanjeevani does not levy any charge towards holding these camps.

Resources required from the institution for the programme to be a success -

- Timing 9am onwards
- Students (Minimum 50)
- Zoom Cloud Meeting App.
- Teachers and Parents can also be part of it

We hope you will join hands with Sanjeevani LBC in its endeavor to eradicate cancer.

Since its inception in 2012, Sanjeevani has enriched the lives of over 2, 45,000 patients across its 14 centers pan India.

Here's a short profile of our organization (<https://youtu.be/KDMvnew7eeM>) for your perusal.

HEALTH CHECK UP- POHEGAON

One-day free medical camp for the benefit of public in the vicinity of rural Kopargaoon was organised on Sunday, 5th December 2021 (Sunday) in village Pohegaon. The medical camp team included ten doctors. The teams arrived to the location at 10 am and the camp was inaugurated by Mr. Ashutosh Kale, MLA and with a welcome speech by Shri. Ashokrao Rohamare, Chairman of Kopargaoon Taluka Education Society.

Trustees of our education society felicitated the doctors by shawl and bouquet of flowers. Many male and female villagers in various age groups participated in the camp. In total, 248 villagers attended the medical camp and benefitted.

Arrangements were made for free Blood Sugar Level and Blood Pressure tests which were hugely useful for many villagers. Nearly 235 people have undergone their general health check-ups and 13 people were benefitted with the dermatology-skin check-ups.

After the checks up, villagers were benefitted with the medicines provided free of cost. Few of the patients were referred by the doctors for further treatment at various hospitals. The NSS volunteers played a vital role in making this camp success with their dedication in serving people; they directed people in all needy way.

to me, Sumki

Dear Ma'am / Sir,

Greetings from Sanjeevani- Life Beyond Cancer.

I write to you on behalf of Sanjeevani-Life beyond Cancer, a pioneer in 'Comprehensive Cancer Care.' We are an award-winning non-profit organization working for prevention, early detection, counselling and rehabilitation of cancer and cancer patients. Our focus is on navigating them from Dis-ease to wellness.

One of our major areas of work is to spread awareness. Just to share some data, Cancer is the second leading cause of death globally and was responsible for an estimated 9.6 million deaths in 2018. There are approx. 17 lakh new reported cases in India every year. It is estimated that double that number go unreported. The scenario is alarming and worsening day by day.

Sanjeevani LBC does structured awareness camps in Schools, Colleges and Communities:

Ø Cancer – why and how

Ø Need for prevention and early detection and

Ø Healthy lifestyle habits & wellness

The awareness camps deliver this knowledge through a combination of presentations, Q&A session and a Quiz. The camp ends with a Pledge being taken by participants to take on healthy practices and share the knowledge gained through the camp.

All participants are given E Certificates for their records.

Sanjeevani does not levy any charge towards holding these camps.

Resources required from the institution for the programme to be a success -

- Timing 9am onwards
- Students (Minimum 50)
- Zoom Cloud Meeting App.
- Teachers and Parents can also be part of it

We hope you will join hands with Sanjeevani LBC in its endeavor to eradicate cancer.

Since its inception in 2012, Sanjeevani has enriched the lives of over 2, 45,000 patients across its 14 centers pan India.

Here's a short profile of our organization (<https://youtu.be/KDMvnew7eeM>) for your perusal.

LEGAL AWARENESS CAMP

In the realm of education and societal development, fostering legal awareness among the young generation is a pivotal step toward building an informed society. The Legal Awareness Camp among school and college students was organised at Rainbow International School, with the aim of empowering children with knowledge about legal matters, particularly the POCSO Act (Protection of Children from Sexual Offences) and cybercrime.

The event was graced by esteemed guests and dignitaries, including Adv. Tupke and Adv. Manoj Kadu of Kopargaon Court served as the resource person and prominent figures in the legal domain were present. This distinguished gathering added an air of importance to the occasion, setting the stage for an enlightening experience.

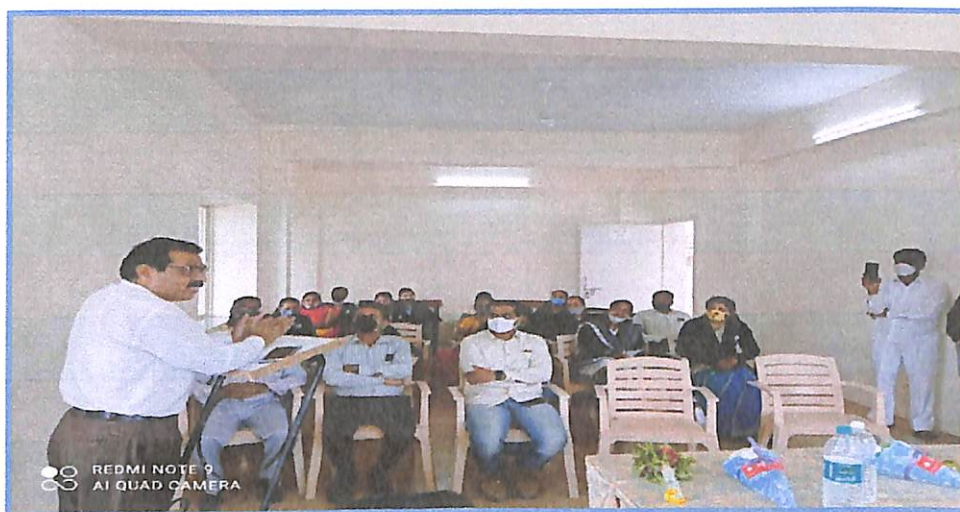

The audience comprised of students and faculty members that formed an enthusiastic and receptive gathering. Their presence indicated a collective commitment to nurturing a society that is aware of its rights and responsibilities.

The primary aim of this legal awareness camp was to provide children with valuable insights into the POCSO Act and cybercrime. This objective aligns with a broader mission of ensuring that children can safeguard themselves and seek assistance when confronted with legal issues.

One of the highlights of the event was the opportunity for the children to interact with legal experts. Experienced and senior lawyers shared their extensive knowledge and experiences, answering questions and dispelling myths. These interactions provided a rare insight into the legal profession and the importance of legal awareness.

The event sought to empower children by teaching them about the POCSO Act, which is instrumental in protecting them from sexual offences. By raising awareness about this act, students were equipped with the knowledge they need to recognise and report any inappropriate behaviour, thus ensuring their safety.

भारत निवडणूक आयोगाच्या वतीने, "मतदान प्रक्रियेबद्दल जागरूकता" निर्माण करण्यासाठी दरवर्षी २५ जानेवारी रोजी राष्ट्रीय मतदार दिवस साजरा केला जातो. याप्रसंगी के.जे. सोमय्या कॉलेज मतदार साक्षरता क्लब, आयक्यूएसी, आणि राज्यशास्त्र विभाग, कोपरगांव तालुका एज्युकेशन सोसायटीच्या संयुक्त विद्यमाने सोमय्या कॉलेजमध्ये मतदान जनजागृती कार्यक्रमाचे आयोजन करण्यात आले होते. प्रा. डॉ. आवारी यांनी विद्यार्थ्यांना मार्गदर्शन करताना लोकशाही व्यवस्थेत मतदार साक्षरतेचे महत्व सांगितले. लोकशाहीत नागरिकांना मतदानाचा अधिकार आहे आणि लोकशाही बळकट करण्यासाठी प्रत्येकाने त्या अधिकाराचा वापर करणे महत्वाचे आहे, असे त्यांनी अधोरेखित केले. मतदार हा भारतीय लोकशाहीचा कणा आहे, असे प्रतिपादन राज्यशास्त्र विभागाचे प्रमुख डॉ. विलास आवारी यांनी केले. कार्यक्रमाच्या अध्यक्षस्थानी महाविद्यालयाचे प्राचार्य डॉ. बी. एस. यादव होते, त्यांनी विद्यार्थ्यांना मतदानाचे महत्त्व समजण्यास मदत केली.

मतदार भारतीय लोकशाहीचा धागा : प्रा. डॉ. आवारी

►► कोपरगांव । दि. २८ प्रतिनिधी

लोकशाही व्यवस्थेमध्ये नागरिकांना मतदानाचा अधिकार प्राप्त झाला आहे. या अधिकाराचा वापर करून लोकशाहीच्या बळकटीकरणासाठी प्रत्येकाने मतदान करावे. मतदार भारतीय लोकशाहीचा धागा आहे, असे प्रतिपादन राज्यशास्त्र विभागप्रमुख प्रा. डॉ. विलास आवारी यांनी केले.

भारत निवडणूक आयोगाच्या वतीने मतदान प्रक्रियेच्या जनजागृतीसाठी दरवर्षी २५ जानेवारी रोजी राष्ट्रीय मतदार दिवस साजरा करण्यात येतो. यानिमित्त कोपरगांव तालुका एज्युकेशन सोसायटीचे येथील के. जे. सोमय्या महाविद्यालयात

राज्यशास्त्र विभागाच्या वतीने आयोजित कार्यक्रमात प्रा. डॉ. आवारी बोलत होते. यावेळी प्राचार्य डॉ. बी. एस. यादव, प्रा. सुरेश देवरे यांनीही मार्गदर्शन केले. महाविद्यालयाच्या राज्यशास्त्र विभागात 'बलशाही लोकशाहीकरिता मतदार साक्षरता' या विषयावर निबंध स्पर्धा घेण्यात आली. निबंध स्पर्धेचे संयोजन प्रा. कैलास वाघ यांनी केले.

प्रा. डॉ. आवारी म्हणाले, लोकशाही प्रगल्भ होण्यासाठी सर्वांनी मतदान प्रक्रियेमध्ये सहभागी व्हावे. जगातील सर्वात मोठी लोकशाही असलेल्या भारतात निवडणूक प्रक्रियेला अनन्य साधारण महत्त्व आहे. कार्यक्रमास विद्यार्थी मोठ्या संख्येने उपस्थित होते. आभार प्रा. वाघ यांनी मानले.
